COMMISSIONER'S MESSAGE

Welcome to the 2012 season of free, fun-filled events at the Massachusetts Department of Conservation and Recreation's (DCR) Hatch Memorial Shell on the Charles River Esplanade in Boston.

The Hatch Shell and surrounding Esplanade area is a renowned venue for free outdoor events and programs. From classical music concerts and Free Friday Flicks to the treasured July 4th celebration, this calendar offers something for everyone. I would like to extend an invitation to you and your family and friends to join us this year for a season of many special events along the Charles River.

DCR is steward of more than 450,000 acres of park land, one of the largest state park systems in the country. We encourage everyone to join us on the Esplanade and at other DCR properties, as we present memorable programs and events throughout the Commonwealth. For more information, visit www.mass.gov/dcr.

On behalf of DCR, I wish everyone a wonderful summer and look forward to seeing you at a Hatch Shell event.

Sincerely,
